

Clark (Chip) R. Horner

PARTNER

Chip Horner's law practice focuses on defending medical negligence lawsuits, including high exposure birth trauma claims, ophthalmology, autism, failure to diagnose cancer, wrongful death and surgical matters. He is experienced in all aspects of health law.

Chip's clients range from large integrated health systems to solo practitioners, nurses, midwives, and many different allied health professionals. Chip also represents clients before licensing boards in Oregon and Washington and advises his clients on related health law matters. Additionally, he has experience in general liability lawsuits, including Employer Liability Law, premises liability and motor vehicle accidents.

REPRESENTATIVE CASES

Obtained defense verdict for OB/GYN in \$40+ million lawsuit after 3-week trial alleging failure to diagnosis herpetic lesion leading to neonatal herpes encephalopathy.

Obtained defense verdict for mental health group in \$3 million wrongful death claim alleging inadequate cognitive behavioral therapy leading to suicide.

Obtained dismissal of institutional client in \$10 million breast cancer claim alleging failure to identify and treat cancer recurrence and successfully defended re-filed case leading to second dismissal.

Achieved positive resolution for health insurance plan against claims of unfair trade practices, negligence, and breach of contract in alleged inadequate care for autism lawsuit.

Obtained eve-of-trial dismissal for orthopedic surgeon in alleged failure to appropriately repair labral tear.
