

HR Consulting & Compliance

Our attorneys offer counseling and advice on employee relations, as well as reviewing company policies and handbooks to ensure current compliance with all applicable laws. Whether you're facing a lawsuit or working to ensure you never do — Hart Wagner has the experience and the expertise to see that you succeed.

Hart Wagner employment attorneys don't only defend you, they set you up for success by helping you create a workplace environment free from disputes. We offer a variety of training programs geared for HR professionals, covering topics like sexual harassment, documentation of performance, federal and state law compliance, and ADA compliance. Our seminars help businesses to thrive, free from litigation.
