

Premises Liability Defense

Operating a business can expose you to a litany of potential liability. By virtue of inviting individuals to shop on your premises, you assume responsibilities to ensure their safety while there.

When accidents occur, every business needs the counsel of skilled defense attorneys with a proven litigation record.

A Hart Wagner defense includes: (1) an expert understanding of the law; (2) a thorough yet efficient investigation of the circumstances and individuals involved; and (3) a practical assessment of the strength of the claim.

At Hart Wagner, our experienced defense attorneys have handled the full spectrum of premises liability claims.
